Name of the Project *

Aim for a short, unambiguous, and memorable title for your project/team. Your project name should reflect what makes your project unique.

RecruitAssistant

One paragraph description of the project *

You should write a high-level summary of your project. It must be very-well written and checked many times. Avoid going deep into details or background of the problem you volunteer to solve. Remember the elevator speech and pitching concept, use it.

RecruitAssistant, is an AI-powered virtual interview companion designed to help students and job seekers prepare effectively for real-world interviews. It simulates both technical and behavioral interview scenarios through adaptive questioning, voice or text interaction, and instant personalized feedback. By leveraging natural language processing and machine learning, RecruitAssistant evaluates user responses on clarity, correctness, and communication, offering actionable improvement tips. The platform transforms interview preparation into an engaging, data-driven, and personalized experience—helping users gain confidence, enhance performance, and succeed in their career pursuits.
